## **Fire Department Open House Thank You**

The Tremont fire department would like to take this opportunity to thank all of those who attended our open house this year. There was a wonderful turnout, and the weather was beautiful. We appreciated the crowd gathered for our auto extrication demonstration, and received word that the kids enjoyed riding on our 1938 international antique firetruck. Special thanks go to those who help sponsor our event through donations including Jason Gary/State Farm for providing the kids plastic fire hats, Tremont First National Bank for providing the popcorn, and Beechams Market for many of the food supplies. We look forward to seeing you again next year!
